Description:

God Is Calling You to Something Big! Are You Ready for It?

Have you set limits on what you “think” God can do in your life? It’s often easier to believe God has big things in mind for other people than to imagine He has great plans and bountiful blessings for us. Why is that? Usually, it’s a result of limited thinking. All around us, we encounter limitations. Some are imposed on us by other people and society; others are inflicted on us by our own damaged mind-set and behavior. We believe, “I’m not qualified,” “My resources aren’t sufficient,” “I’m all alone in this,” or “I’m not anointed.” God wants to completely turn your outlook around. He is a *big* God who majors in the miraculous, and He wants to help you develop limitless thinking that will enable you to fulfill a God-sized vision.

Our God-given potential, our zeal for advancing His kingdom, our divine dreams—these areas of our lives are meant to be without limitation. But most of us haven’t prepared for living a limitless life. Having overcome challenging personal, emotional, and financial limitations, Danette Crawford takes you through each step of the process of removing hindrances, enlarging your vision, and increasing your expectations of the big things God wants to do in you, through you, and for you. Thoroughly biblical and practical, Danette shows you how to adopt and maintain *limitless thinking* for a lifetime of *limitless living*. Get ready, because your life without limits is about to begin!

Jesus said, “*Seek first the kingdom of God and all its righteousness and all things will be added unto you*” (Matthew 6:33).

Therefore, open your mind, heart, and soul, and receive this timely message from Danette Crawford. Take the limits off God. Then follow his lead to remarkable hope and future of an abundant life. It’s a new season!

Danette Crawford has displayed a life of limitless thinking and limitless living by impacting communities all over Hampton Roads and this nation. I've known Danette and have worked closely with her for many years. She doesn't just talk it—she walks it! Danette Crawford and her outreach ministry have played a vital role in not only reducing the crime rate, but also in changing the lives of youth and adults in low-income areas. She has worked closely with the police department, the mayor's office, and other city officials to bring life-altering changes in the most challenging areas of our city. Our police department has even tracked that the crime rate has been lowered significantly in the areas where she works. Danette Crawford has made a tremendous difference right here in Virginia Beach. As you read her book, *Limitless Thinking, Limitless Living*, I believe you will be inspired to walk in a limitless lifestyle that she demonstrates daily.

In her book, *Limitless Thinking, Limitless Living*, Danette Crawford challenges, inspires, encourages, and instructs us to not settle for anything less than what God has intended for our lives. She makes it abundantly clear that the possibility for a "limitless" existence rests squarely in the reality of God's own *unlimited* ability! This book is not just a shallow exhortation for the reader to "think positive and think big." Rather, Danette is calling us back to becoming deeply rooted in the true revelation of God's unlimited power and ability.

In this work, we are being called to become numbered among the Joshua generation, those brave hearts who are seeking to "cross over" the bounds of thinking and living that has been marked by certain limitations, fully enter into all God has planned for His dear children, and cross over and enter a life marked by a kingdom existence where the very notion of limitation doesn't even exist. Or as Paul wrote, "Now unto Him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us" (Ephesians 3:20 kjv).
