Description:

"True it is that all who deny the Father and the Son are antichrists. It is also true that there are many antichrists abroad today; and that 'the man of sin' of the tribulation period will be known as 'the Antichrist.' But seeing that Satan is at the back of all anti-Christian forces, and the instigator of all open hatred to God and to His Christ, he can be fitly termed—*Satan, the Antichrist.*" —Herbert Lockyer

We live in a time when people have cast off restraint. Gone are the days of restraint and moderation. Behaviors and beliefs that would have shocked previous generations are now accepted as commonplace. We live in an age of lewd and carnal gratification. As believers, we know who is responsible for the rotten state of the world: Satan. In these perilous times, it is imperative for the saints of God to fully recognize the strategy and devices of the enemy. A complete understanding of Satan and his plans will force us to look upon these tangled times with knowing eyes.

In *Satan the Antichrist*, best-selling Bible teacher Herbert Lockyer traces the diabolical plan of Satan through both the Old and New Testaments, and forward through the ages, including the church period and during and after the tribulation. He reveals the spiritual weapons at our disposal, that we might remain resistant and vigilant in our faith by using both the Word of God and the blood of Christ in the promised vanquishing of this evil antichrist.
