### Description:

The Holy Spirit is wild and powerful and wants to be manifested in your life. In *Wild and Mighty Fire: Encounter the Power of the Holy Spirit*, André Ashby shares numerous testimonies of people whose lives were forever changed when they asked the Holy Spirit to come. If you desire more of the Lord, ask the Holy Spirit to come and get ready for an exciting adventure!

André's "wild" encounters with the Holy Spirit prove that the timid, boxed-in God of western Christianity is not who God actually is. André tells stories about big biker angels sitting on people, supernatural weight loss, miraculous healings, and more.

The best way to know the heart of God is to ask Him to reveal Himself to you, and remove anything from your heart that does not reflect His character and how He loves you. The Bible talks about encountering God's glory and how the people who met with Him in this way were changed. In that same way, we can encounter the presence of God and His glory in our own lives.
